Dacca.—No. 219P.II.—4th February 1941.—The following draft of two sets of by-laws, which has been framed by the Commissioners of the Dacca Municipality, in the district of Dacca, under sections 269 and 277 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), and which the Governor proposes to confirm under section 506 of the Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 15th April 1941, and any objection or suggestion received by the undersigned through the District Magistrate and the Divisional Commissioner before that date will be duly considered:—

Draft by-laws under clauses (d), (e) and (f) of section 269 and under section 277 regarding privies, urinals and drains of water carriage system.

1. Every person who desires to connect his privies or urinals with the municipal underground sewerage system shall apply to the Commissioners for written permission.

2. The application shall be in such form as may be laid down by the Commissioners and shall be accompanied by a plan in triplicate on a scale of not less than sixteen feet to an inch, showing the whole of the drains and their sizes and gradients, the levels of the ground surface in reference to a datum specified by the Commissioners, and the position of every building, house gulley, soil pipe, waste-pipe, bath, privy, or urinal in the premises which it is proposed to connect with the municipal underground sewerage system.

3. The Commissioners may direct the person making the application to make such alterations or amendments in the plan as may seem to them necessary or desirable, and such person shall alter the plan accordingly; and if no such alteration or amendment is made within thirty days the application shall stand rejected.

4. When the plan has been approved, one copy shall be returned to the person making the application, signed by the Chairman, and two copies shall be retained in the municipal office.

5. Upon receipt of the approved plan and written permission to proceed, the owner of the premises may authorise a *plumber* licensed under this Act to execute the work under these by-laws except such portion as lies within a public highway:

Provided that if the work is not commenced within three months from the date of the permission, such permission shall be deemed to be cancelled.

6. No person shall commence to execute any work under these by-laws before obtaining a written permission from the Commissioners to proceed with the work.

7. Every person who applies for a connection of his privy or urinal with the municipal underground sewerage system shall deposit with his application a fee for each such connection, estimated to be equivalent to the cost likely to be incurred in connection with the work of such connection. If the Commissioners do not grant permission for the connection to be made within six months from the date of application the fee deposited shall be refunded.

8. On completion of the work under these by-laws the owner or occupier of the premises shall give notice of completion to the officer authorised by the Commissioners in this behalf. When that officer has certified that the whole of the work has been done satisfactorily and in accordance with these by-laws, the connection with the municipal underground sewerage system will be made by the Commissioners.

9. No person other than a *plumber* licensed under this Act shall execute any work in connection with the construction of a connected privy or connected urinal and its connection with the municipal underground sewerage system.

Note.—A list of *plumbers* licensed under this Act shall be maintained at the municipal office which shall be open to inspection at any time during regular office hours.

10. The materials used in the construction of any work executed under these by-laws shall be of such quality and description as may be laid down by the Commissioners in a standard specification to be drawn up by them, a copy of which shall be available for consultation to any person applying therefore. The Commissioners may from time to time alter this specification:—

Provided that such alteration shall not apply to any work commenced before the date on which the alteration is made.

General provisions as to drains.

10A. The provisions of these by-laws except by-law 7 shall, so far as possible, apply to the construction and connection of a drain of a building or land with a municipal drain or underground sewerage system.

11. The drainage system of premises connected with municipal underground sewerage system shall, so far as is practicable, provide for the diversion of all rain-water and surface water from the underground sewerage system to the municipal surface-water drains. With this object, the owner of the premises shall construct such intercepting gulley-pits, overflows and separate surface-water drains as he may be called upon by the Commissioners to make as a condition precedent to the grant of permission to connect the privies or urinals thereon with municipal underground sewerage system.

12. (*a*) Any inlet to any drain connected with the municipal underground sewerage system must be at least one foot above the highest known flood level at such inlet.

(*b*) Any inlet, other than an inlet from a connected privy or urinal, must be constructed at a place open to the sky.

13. No person shall discharge into any drain or overflow channel constructed for the purpose of discharging surface-water only any offensive matter, sewerage or rubbish so as to cause a nuisance or danger to health.

Pipe drains from premises.

14. All stoneware pipes shall be of a quality equal to the British standard specification, and shall be properly laid in straight lines vertically and horizontally and joined with tarred gasket and cement in conformity with the specification laid down by the Commissioners under by-law 10. Every change in direction shall be formed by properly curved pipes or channels. Such changes of direction shall, unless otherwise specially permitted by the Commissioners, be made in inspection pits.

15. All stoneware pipes shall be (*i*) laid upon a bed of good concrete as per specification of such width as may be approved by the Commissioners, and not less than six inches thick, and (*ii*) shall be covered for half its depth with concrete not less than four inches thick.

16. Except when otherwise specially permitted by the Commissioners in writing, the minimum fall of a pipe drain shall be as follows:—

Drains of four inches diameter 1 in 40.
Drains of six inches diameter 1 in 80.
Drains of nine inches diameter 1 in 150.

17. All pipe-drains shall be of adequate size and in no case shall any pipe-drain have a diameter of less than four inches nor more than such a size as may be specified by the Commissioners.

18. Cast-iron pipes used as drain-pipes shall be properly jointed with lead and yarn and caulked to the satisfaction of the Commissioners or any person authorized by them in this behalf.

20. Every pipe-drain shall be water-tight and shall be tested by the Commissioners or any person authorised by them in this behalf by water test. The water test shall be made to a pressure of four feet above the highest point of the drain. No pipe-drain shall be used until the Commissioners or any person authorised by them in this behalf shall have certified in writing that it has passed this test.

21. Every pipe-drain shall be ventilated by carrying up a vertical pipe or shaft from the upper end of the pipe drain, and such pipe or shaft to be not less than four inches in diameter and shall be fixed in such manner as effectually to prevent any escape of foul air from such pipe into any premises in the vicinity thereof, and in no case to a height of less than ten feet.

22. Every inlet to the pipe-drains not being a ventilating inlet specially provided for that purpose shall be trapped by an efficient trap so constructed as to give a water-seal of not less than two inches.

23. All gulleys, traps, gratings, covers or other appliances be of patterns, sizes and qualities in accordance with patterns approved by the Commissioners and kept in the municipal office.

24. No drain shall be laid under any building except when no other form of construction is possible. Adequate means of access shall be provided at each end of such portion of the drain as is beneath the building.

25. Any pipe drain passing under a wall shall be protected at the part through the wall by an arch, reinforced concrete slab, or iron support so as, in the opinion of the Commissioners or any person authorised by them in this behalf, to be of sufficient strength to prevent any disturbance of the pipe-drain caused by pressure or settlement of the wall.

26. Unless otherwise ordered by the Commissioners, a suitable trap shall be placed in a drain at a point as near as may be practicable to the junction of the drain with the municipal underground sewerage system.

Open Drains.

27. (*1*) Every open drain constructed after these by-laws come into force or provided for a new building, for the purpose of discharging surface or sullage water, shall be constructed of brick, masonry or concrete covered with a plaster not less than half an inch in thickness and containing not less than 33 per cent. of portland cement or any other cement approved by the Commissioners, or of natural or of artificial stone or of glazed half-round pipes, and shall be of such pattern and size and laid in such a gradient as may be specified by the Commissioners.

(*2*) Whenever an open drain is connected with a pipe-drain a trap shall be constructed at the end of the open drain immediately above the connection.

Such connection shall be covered by grating of cast iron or other suitable materials.

(*3*) Whenever an open drain is connected with a municipal open drain, such connection shall be made with a proper sweeping curve to the outfall, as may be approved by the Commissioners.

Maintenance.

28. The owner or occupier of any premises, a privy, urinal or drain of which is connected with the municipal underground sewerage system, shall at all times maintain in a proper state of repairs and in a sanitary condition all pipe-drains, open drains, traps and fittings, appliances and apparatus connected with the drainage of the premises.

29. The owner or occupier of any such premises shall give every reasonable facility to the Commissioners or any person authorised by the Commissioners in this behalf to inspect the drains, privies, urinals, sinks, bath-rooms or other buildings or apparatus connected therewith.

Closed cesspools or household septic tanks and soak pits.

30. When any person intends to instal a privy or urinal on the water carriage system, and there is no municipal underground sewerage system with which it may be connected, he may instal such privy or urinal on the condition that he provides a covered septic tank and a soak pit or a disposal gallery in conformity with the provisions of by-law 36.

31. A covered septic tank shall be constructed in accordance with the type design to be kept at the municipal office, together with means for disposal of the effluent from the septic tank.

32. The septic tank shall be constructed of water-tight masonry concrete, or earthenware, and shall have a capacity of not less than two cubic feet per user, the number of users being taken as the maximum number of persons who will ordinarily use the privy or urinal connected to the septic tank.

33. The means for disposal of the effluent of the septic tank shall consist of either—

(*a*) a covered soak pit or well, the bottom of which shall be carried down to a porus sandy stratum,—in any case to a depth of not less than two feet below the lowest subsoil water level. Soak pits may be lined or unlined, depending on the nature of the upper strata. An unlined soak pit shall be between eighteen inches and two feet in diameter, and the quantity of liquid run into it shall not be more than one hundred gallons per day. A lined soak pit or well shall have a horizontal cross sectional area of not less than one square foot for every twenty-five gallons of water discharged into it daily; or

(*b*) a disposal gallery, which shall consist of pipes of not less than four inches diameter, laid open-jointed in a bed of broken stone or brick at a depth of about fiteen inches below ground, and a gradient of not less than two inches per one hundred feet. The length of gallery shall be not less than a figure calculated at the rate of five feet per user when laid in porous sandy subsoil. The gallery may be in one line, or in parallel lines the distance between which is not less than six feet. When laid in heavy subsoil, the length of gallery shall be calculated at ten feet per user, and it shall be laid in two or three separate lengths fed from a junction manhole so arranged that one or more lengths can be cut off for rest.

Soak pits and disposal galleries shall be constructed in accordance with the type plans to be kept at the municipal office.

34. The sewers connecting from the privies or urinals to the septic tanks shall be constructed of such materials and in such manner as is laid down in by-laws Nos. 14 to 26.

35. The minimum quantity of water which shall be provided for the flushing of the water-closets and urinals is five gallons per user per day.

36. No septic tank, soak pit, or disposal gallery shall be constructed in ground which is liable to flood in rainy season, and no soak pit or gallery shall be constructed within one hundred feet (horizontal distance) from any common well or tube well which is used as a source of drinking water-supply. The general level of the pipes of a disposal gallery shall not be lower than that of the subsoil water level in the rainy season.

For rule 45B of the said rules, the following shall be substituted:—

"45B. *Levy of grazing tax.*

(*1*) Except as otherwise provided in this rule cattle (oxen and cows), buffaloes, goats and goyals owned or kept or grazed in the Chittagong Hill-tracts are all liable to be assessed to grazing tax.

(*2*) Grazing tax shall be assessed at the rates determined by the Deputy Commissioner with the apporval of the Commissioner.

(*3*) Hillmen who cultivate no land shall be liable to pay grazing tax for the cattle, buffaloes, goats and goyals owned or kept by them, but each resident family shall be allowed free of grazing tax four cattle, two unweaned calves and two goats or in the alternative two goyals or buffaloes, one unweaned goyal or buffalo calf and two goats. If any hillman keeps both cattle, goyals and buffaloes then one goyal or buffalo should be treated as equivalent to two head of cattle, and one goyal or buffalo calf as equivalent to two calves, for the purpose of calculating exemption and grazing tax payable.

(*4*) A hillman or resident plainsman who cultivates not less than 0·4 acre of land is entitled, in addition to the exemption specified in sub-rule (*3*), to keep free of tax the following:—

If he cultivates less than 2 acres of land—two cattle or one buffalo.

If he cultivates 2 acres of land or more—two cattle or one buffalo for every complete acre cultivated.

(*5*) Residents in bazar areas who cultivate no land shall be allowed one cow or one she-buffalo with an unweaned calf or buffalo calf free of tax.

(*6*) In case of cattle or buffaloes taken on hire *bona fide* for the purpose of cultivation either by hillmen or non-hillmen, the exemption to be allowed will be the same as allowed to non-hillmen under sub-rule (*5*). (*9*) Grazing tax shall be collected from bazar residents by *bazar chaudhuries* and from other persons by headmen. They shall grant printed receipts at the time of collection and enter the amounts in a cash book. They will be entitled (except in the case of servants of the Crown) to a commission on their collection at a rate determined by the Deputy Commissioner with the approval of the Commissioner.

(*10*) The payment of grazing tax entitles cattle, buffaloes, goats and goyals to be grazed in the waste lands vested in the Crown of one *mauza* only; if grazed in several *mauzas* they shall be liable to fresh assessment in each *mauza*. As a partial exception exempted cattle, goyals, buffaloes or goats may be grazed not only in the *mauzas* where the cultivator holds lands, but also in the *mauza* where he lives even if he has no land in that *mauza*.

(*11*) In conformity with and without prejudice to the provisions of this rule the Deputy Commissioner may issue instructions to headmen and *bazar chaudhuries* for carrying out the purpose of this rule."

Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 558L.A.—4th February 1941.—The following report of the Select Committee on the Bengal Motor Spirit Sales Taxation Bill, 1941, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Motor Spirit Sales Taxation Bill, 1941.

We, the members of the Select Committee to which the Bengal Motor Spirit Sales Taxation Bill, 1941, was referred by a motion carried in the Bengal Legislative Assembly on the 28th November, 1940, have the honour to submit this our final report on the Bill embodying amendments recommended by us. Matter recommended to be omitted by the Select Committee has been printed in italics and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in the *Calcutta Gazette* of the 7th November, 1940, before introduction.

3. We do not consider that the Bill has been so altered by our recommendations as to require republication.

4. The Committee met for the first time on the 11th December, 1940, and then again on the 13th and 14th December, 1940, when they concluded their deliberations on the Bill.

5. The reasons for the changes made in the Bill, apart from purely formal alterations, are as follows:—

Clause 2.

Sub-clause (b).—The definition of motor spirit has been revised primarily to exclude deisel oil from the purview of this Bill.

Sub-clause (c).—It was deleted as unnecessary in view of the amended definition of motor spirit in (*b*).

Sub-clauses (e) and (f).—The amendments here are of a purely drafting nature.

Sub-clause (g).—The amendment is aimed at making the intention clear.

Clause 3.

Apart from purely drafting changes the alterations here are consequential on the modified definition of motor spirit in Clause 2.

Clause 4.

New sub-clause (1A).—The explanation to sub-clause (*1*) has been renumbered as sub-clause (*1A*). We have also amended this sub-clause exempting the importer or whole-sale dealer from taking more than one licence although he may have more than one place of business, his position being obviously different from that of a retail dealer.

Sub-clause (3).—This has been omitted as unnecessary in view of the revised sub-clause (*6*) as recommended by us.

Sub-clause (5).—The proviso has been deleted as we considered the provision for any deposit of security unnecessary in view of the safeguards in other clauses of the Bill.

Sub-clause (6).—The intention of this amendment is to avoid unnecessary restriction on the dealer while he continues to pay taxes on petrol consumed or otherwise disposed of by himself.

Sub-clause (7).—We have considered it desirable to amend the clause requiring the Government to prescribe the limits within which the powers under this clause have to be exercised. (*a*) has been expanded with a view to generalise the provision and (*c*) has been deleted consequently.

Clause 7.

Substitution of the words "Land Revenue" for the words "Public Demand" has been made in order to make the All-India Act I of 1890 applicable.

Clause 8.

We did not think any particular form necessary for the keeping of the accounts by the importer or whole-sale dealer. We were also of opinion that quarterly returns by whole-sale dealers and importers would serve the purpose of this Act. (*a*) has been deleted and the clause amended accordingly. The words "in Bengal" have been inserted as it is not possible to check figures relating to places outside Bengal. Other alterations in the clause are of a consequential nature.

New clause 8A.

This new clause has been considered necessary to provide for cases of transfers of business by sale or succession.

Clause 9.

The alteration here has been intended for the convenience of the dealers.

New clause 9A.

This new clause has been inserted to preserve secrecy about internal affairs of business which was considered desirable in the interest of traders. The Provincial Government have, however, been empowered to sanction any disclosure which might be necessary under exceptional circumstances.

Clause 10.

New sub-clause (aa).—This has been inserted consequentially.

Clauses 11 and 12.

Clause 11 has been deleted as clause 12 was suitably amended to cover the entire provision in the clauses.

Clause 14.

Sub-clause (1).—This has been introduced as a safeguard against indiscriminate prosecution.

Clause 17.

The clause was deleted as we considered the existing law of limitation adequate for the cases contemplated and no special limitation was necessary or desirable.

Clause 19.

The amendments here have been necessitated by the amendments in the previous clauses of the Bill.

NOTE.—Signatures of Mr. Mia Abdul Hafiz, Dr. Mafizuddin Ahmed, Mr. Birat Chandra Mandal and Mr. Syed Ahmed Khan, M.L. A's., could not be obtained till the time of printing this report.

Minute of Dissent by Mr. J. F. Sinclair, M.L.A.

While I reserve to myself the right to suggest any amendments I may think fit when the Bill, as amended by the Select Committee, comes before the Assembly I sign the report subject to the following Minute of Dissent:—

1. I consider that a clause *should be embodied in the Bill* ensuring that the revenue collected by this taxation is used only for road construction, as is shown to be the intention in the Statement of Objects and Reasons.

2. Since the balance in the Road Fund Account is not likely to be exhausted until 1942, I consider that this Bill should not be brought into effective operation till April, 1942.

Addendum to the report of the Select Committee on the Bengal Motor Spirit Sales Taxation Bill, 1941.

At page 2 of the report of the Select Committee on the Bengal Motor Spirit Sales Taxation Bill, 1941, after the name of Mr. J. F. Sinclair please add the name of Dr. Mafizuddin Ahmed who signed the report after it was printed.

A. AHMAD,

for Director of Agriculture, Bengal.

Dacca, the 3rd February 1941.

DEPARTMENT OF AGRICULTURE, BENGAL.

First Forecast of Wheat Crop of Bengal, 1940-41.

(*Note.*—On an average of the five years ending 1938-39, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1938-39, averaged (*a*) 44·4 and (*b*) 8·4 respectively.)

Explanatory.—Four forecasts of the wheat crop are published. The present forecast deals only with the estimated area sown and the general condition of the crop in the early stages.

Acreage.—According to the estimates of the District Officers, the total area sown is 169,600 acres this year as against 175,000 and 177,100 acres, respectively, in the corresponding and final forecasts of last year.

Character of the season.—The sowings took place in normal time this year. Prolonged drought delayed later sowings and affected the growth of the crop in many parts of the province. The present condition is generally reported to be poor except in some districts.

M. CARBERY,
Director of Agriculture, Bengal.

PART IV.

Presentation, Form, Registration and Notices of Appeals.

Presentation.

14. An appeal to the Tribunal shall be presented in person or by a representative to the Registrar at Delhi, or some officer authorised in this behalf by the Registrar.

Provided that an appeal which is received in the office of the Registrar by post within the prescribed period of limitation shall be deemed to have been validly presented.

15. The Registrar or some officer authorised by him in this behalf shall endorse on the memorandum of appeal the date on which an appeal is received in the office.

Form.

16. The Forms prescribed by the Central Board of Revenue when applicable, and where they are not applicable, forms of the like character, as nearly as may be, shall be used for all appeals referred to the Tribunal.

17. Every appeal shall be preferred in the form of a memorandum signed by the appellant and his authorised representative, if any, and verified by the appellant.

18. The memorandum shall be written in English and shall set forth concisely and under distinct heads, on a separate Government water-marked foolscap size paper, the grounds of appeal, without any argument or narrative; and such grounds shall be numbered consecutively.

19. The memorandum shall be accompanied by a certified copy of the order appealed from and a copy of the grounds of appeal.

20. Where a new fact which cannot be borne out by, or is contrary to, the record is alleged, it shall be stated clearly and concisely and supported by a duly sworn affidavit.

21. The appellant shall not, except by leave of the Tribunal, urge or be heard in support of any ground of objection not set forth in the grounds of appeal; but the Tribunal, in deciding the appeal, shall not be confined to the grounds of objection set forth in the grounds of appeal or taken by leave of the Tribunal under this rule.

Provided that the Tribunal shall not rest its decision on any other ground unless the party who may be affected thereby has had a sufficient opportunity or contesting the case on that ground.

22. (1) Where the memorandum of appeal is not drawn up in the prescribed manner, it may be rejected, or, on such terms as the Tribunal may think fit, be returned to the appellant for the purpose of being amended within a time to be fixed by the Tribunal or be amended then and there.

(2) Where the Tribunal rejects any memorandum, it shall record the reasons for such rejection.

(3) Where a memorandum of appeal is amended, the Tribunal, or such officer as the Tribunal appoints in this behalf, shall sign or initial the amendment.

23. In an appeal by the assessee under sub-section (*1*) of section 33 of the Act, the officer or authority making the original order shall be made a respondent to the appeal.

The acceptance shall be signed and dated by the representative and shall state whether he is a lawyer, an accountant or an income-tax practitioner, or is a person who is a relative of, or regularly employed by, the assessee. If the representative is a person regularly employed by the assessee, he shall state the capacity in which he is at the time employed; if he is a relative of the assessee, he shall state his relationship with the assessee; and if he is an income-tax practitioner, he shall state his qualifications under clause (*iv*) of sub-section (*2*) of section 61 of the Act.

26. In the case of an appeal under sub-section (*2*) of section 33, the Income-tax Officer shall append a certificate to the memorandum of appeal that the appeal has been preferred under the direction of the Commissioner.

27. An authorised representative appearing for a party at the hearing of an appeal shall, unless he has already filed his authority and his acceptance of it under rule 26, before the commencement of the hearing file his authority; and if the party by whom he has been appointed to represent is the assessee he shall also file his acceptance of the authority containing the particulars required by rule 26.

* * * * *

33. (1) A notice under these rules may be served on the person therein named either by post or, as if it were a summons issued by a Court, under the Code of Civil Procedure, 1908 (Act V of 1908).

(2) Any such notice may, in the case of a firm or a Hindu undivided family, be addressed to any member of the firm or to the manager, or any adult male member of the family and, in the case of any other association of persons be addressed to the principal officer thereof:

Provided that where a memorandum of appeal states that a Hindu undivided family, firm or other association of persons has appealed through a particular person, notice of the hearing of the appeal shall be served on that person; and where the appeal is against such family, firm or association and a particular person is mentioned in the memorandum of appeal as the person representing the respondent family, firm or association, the notice shall also be served on that person.

34. If an authorised representative of a party has filed his authority in the appeal, the notice of the hearing of the appeal may be served on such representative.

PART V.

Hearing, Adjournment and Judgment.

35. On the day fixed, or on any other day to which the hearing may be adjourned, the appellant shall be heard in support of the appeal. The Bench shall then, if it does not dismiss the appeal at once, hear the respondent against the appeal, and in such case the appellant shall be entitled to reply.

36. Where on the day fixed, or any other day to which the hearing may be adjourned, the appellant does not appear when the appeal is called on for hearing, the appeal unless adjourned to some other day, shall nevertheless be determined on the merits.

37. Where the appellant appears and the respondent does not appear when the appeal is called on for hearing, the appeal shall be heard *ex-parte*.

Adjournment.

38. The Bench may (on such terms as it thinks fit) and at any stage adjourn the hearing of the appeal.

* * * * *

* * * * *

PART VI.

Applications for Reference.

44. Section 66 Reference Application shall be in the prescribed form and shall be accompanied by a copy thereof.

45. Subject to the special provisions of this Part, the provisions of Parts III and IV of these rules shall apply to the presentation, notices and hearing of a Reference Application as if it were an appeal:

Provided that an authorised representative need not comply with the provisions of rule 26 if he has already filed his authority and its acceptance in the appeal which gives rise to the application.

46. Where the application is by the assessee, the opposite party to the appeal which gives rise to the application shall be made a respondent.

47. Where the application is by the Commissioner of Income-Tax, the assessee shall be made a respondent.

48. The application shall formulate in a concise form the question (or questions) of law that arises (or arise) and is (or are) required to be referred to the High Court and state the findings of fact which raise the question, or questions.

49. Where the correctness of a finding of fact is questioned on the ground that in arriving at that finding the Bench determining the appeal committed an error of law, the application shall state the precise error of law and allege what, but for that error of law, the finding ought to have been.

* * * * *

52. On the day fixed or any other day to which the hearing may be adjourned, the Bench shall hear the applicant or his authorised representative in support of the application and may, without sending notice to the respondent, dismiss the application if it is of the opinion that no question of law arises out of the appellate order.

53. Where the Bench does not dismiss the application under rule 52, it shall send notice of the date of hearing the application to the respondent and require him to submit, within such time as it may fix, a reply in writing to the application.

54. The reply to the application shall specifically admit or deny whether the question formulated by the applicant arises out of the appellate order or not and whether it is a question of law or not. If the question formulated by the applicant is defective, the reply shall state in what particular the question is defective and what is the exact question of law which arises out of the appellate order. The reply shall be accompanied by a copy thereof.

55. On the day fixed for the hearing of the application or on any other day to which the hearing may be adjourned, the Bench shall, after perusing the application, the reply and the record, try to obtain from the parties an agreed statement of facts and the question involved.

56. If the parties agree to the question, the Bench shall consider whether such question does in fact arise out of the appellate order or not and whether the question is one of law or not.

57. If the Bench considers that the question agreed upon by the parties is a question of law and does arise out of the appellate order, the Bench shall draw up a statement of the case and together with the records send it to the headquarters of the Tribunal.

58. Where the parties are not agreed, the Bench shall decide whether the question formulated by the applicant does arise out of the appellate order and whether it is a question of law. If the Bench decides that the question formulated by the applicant does arise and is a question of law, it shall draw up a statement of the case and together with the records send it to the headquarters of the Tribunal.

59. Where the Bench is of the opinion that the question formulated by the applicant does not arise or that the question is not one of law, the Bench shall dismiss the application.

Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 599L.A.—6th February 1941.—The following report of the Select Committee on the Bengal Finance (Sales Tax) Bill, 1941, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Finance (Sales Tax) Bill, 1941.

We, the members of the Select Committee to which the Bengal Finance (Sales Tax) Bill, 1941, was referred by a motion carried in the Bengal Legislative Assembly on the 2nd December, 1940, have the honour to submit this our final report on the Bill embodying amendments recommended by us annexed. Matter recommended to be omitted by the Select Committee has been printed in italics and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in the *Calcutta Gazette* of the 7th November, 1940, before introduction.

3. We do not consider that the Bill has been so altered by our recommendations as to require re-publication.

4. The Committee met for the first time on the 10th December, 1940, and thereafter from time to time till the 20th December, 1940, when they concluded their deliberations on the Bill.

5. The reasons for the changes made in the Bill apart from purely formal and consequential alterations are as follows:—

Clause 2.

(*b*) The definition of "contractor" has been replaced by one of "contract" for the purpose of making the intention clear.

(*c*) This has been omitted as unnecessary.

(*d*) The insertion of the word "supplying" has been meant to cover cases of order suppliers who do not actually effect the sale but arrange for supply. The deletion of the words "and includes a contractor" is consequential.

(*e*) The insertion of "fitting out" is consequential. The lines at the end were deleted as unnecessary.

(*h*) The original explanation (*2*) has been deleted as superfluous in view of the amendment to clause 4 of the Bill. The explanation (*2*) has been added by us for the purpose of avoiding possibility of evasion of tax by entering into contract of sale outside the province.

(*i*) The old definition has been recast and expanded. (*b*) has been necessitated by the new definition of contract. The power of Government provided in the original proviso to clause 5(*1*) has also been embodied in this sub-clause as a more appropriate place for its inclusion.

(*k*) The original definition of year has been altered for the convenience of dealers.

Clause 3.

The alteration in sub-clause (*1*) is of a drafting nature.

Clause 4.

Sub-clause (*1*).—The addition here is of a drafting nature, the original proviso being absorbed in the sub-clause.

The new proviso has been considered necessary by us mainly in the interest of the dealers.

Sub-clauses (*2*) *and* (*4*).—The amendments are consequential on the definition of "year" recommended by us.

Sub-clause (5).—We have considered it desirable to make specific provision in relation to importers and manufacturers and to lower the taxable quantum to Rs. 10,000 in their cases and raise the taxable quantum in relation to all other cases to Rs. 50,000. We have, however, thought it expedient to empower Government to take into consideration any special circumstances justifying any variation of the "taxable quantum" in relation to any particular class of dealers and prescribe such quantum as may appear to them to be fair and equitable. The old sub-clause has been deleted and the new sub-clause inserted accordingly.

Clause 5.

Sub-clause (1).—As "two percentum on the taxable turnover" was considered rather high we have recommended reduction of the rate to a quarter anna in the rupee on such turnover.

Sub-clause (2).—This has been omitted by us as we did not consider any variation in the rates of tax by rules advisable.

Sub-clause (3).—We have slightly modified (*b*) for the purpose of exemption of all articles used in the manufacture of goods and also of containers and packing materials sold to registered dealers for packing of goods sold by them.

The original (*c*) has been deleted as unnecessary.

The new (*c*) *and* (*cc*).—The exemptions contemplated in these have been considered necessary on grounds of public interest.

(*d*) The slight alteration here is intended for making the purpose unambiguous.

Clause 6.

Sub-clause (2).—While we had no objection to add to the schedule we did not think it advisable to permit any reduction in the items adjusted after mature deliberation, except through legislation. The sub-clause has been amended with this end in view.

Clause 7.

Sub-clause (4).—We found no reason why the Commissioner should not exercise his power under this sub-clause on any satisfactory information available to him instead of depending merely on the information recorded under section 14. We have therefore recommended that the Commissioner might act on any reliable material available to him.

Sub-clause (5).—We have made it obligatory on the Commissioner to register a dealer and grant him a certificate under this section.

Sub-clauses (6) *and* (7).—We have omitted the old sub-clauses (6) and (7) and the provisos thereto, as we do not recommend issue of certificates for limited periods and periodical renewal thereof. We have, however, specified the conditions in the redrafted sub-clause (6) under which a registration must be cancelled.

New clause 7A.

Here we have made provision for voluntary registration of dealers with comparatively lower turnover and for the cancellation of such registration.

New clause 7B.

For the convenience of everybody concerned we have thought it desirable to give publicity to the details of registration of dealers under this Act and we have also recommended annual publication of modifications thereof for the information of all interested parties.

Clause 8.

Sub-clause (2).—In our opinion the Commissioner would be the right person to issue the notices for returns. "Commissioner" has, therefore, been substituted for "Provincial Government".

Clause 9.

Part of the old sub-clause (*1*) has been recast as new sub-clause (*1*) with some necessary alterations consequential on amendments to clause 4. In the new sub-clause (*1A*) we have thought it expedient to give the Commissioner wider powers against deliberate evasion and have also given him discretionary power to penalise the offenders. New sub-clause (*1B*) is the latter part of the old sub-clause (*1*) with consequential amendments in a redrafted form.

Sub-clause (2).—We have altered the words "a public demand" to "land revenue" to make the all-India Act I of 1890 applicable.

Clause 10.

The old clause has been redrafted with amendments consequential on the new proviso to clause 4(*1*).

Clause 12.

Sub-clause (1).—The additions here have been made as a desirable safeguard against the risk of arbitrary action by the Commissioner.

Sub-clause (3).—We have considered these amendments desirable in the interest of, and for the purpose of avoiding any inconvenience to, the dealers.

Clause 13.

The amendment here is consequential on the amendment in clause 3.

Clause 16.

(*c*) The amendment is of a drafting nature.

(*d*) has been considered by us to be a very necessary item for decision by the Commissioner.

The proviso has been inserted to avoid retrospective taxation except in cases of deliberate evasion.

Clause 17.

The old clause has been redrafted with alterations consequential on the amendments in clause 3 and the new clause 18A.

Clause 18.

The amendments in this clause are of a drafting nature and consequential on amendments in clause 3.

New clause 18A.

This new clause has been inserted by us to enable a party aggrieved by the order of the Board of Revenue to go to the High Court for the final determination of any question of law. The provisions regarding fees and costs have been made as a check against frivolous applications.

Clause 19.

Sub-clause (1)(c).—The slight alteration is of a drafting nature.

(*cc*) has been considered necessary as a natural corollary to (*c*).

We have considered a fine of Rs. 1,000 adequate for offences under this section and have reduced the amount in the original provision accordingly.

Clause 20.

Consistently with the amendment in clause 19 we have considered Rs. 1,000 as sufficient for the purpose of composition of offences contemplated by the sub-clause.

Clause 22.

Sub-clause 3(b) has been deleted as uncalled for.

Clause 23.

All the amendments in this clause except where they are of a drafting nature are consequential on the amendments in the other clauses of the Bill.

The Schedule.

The entire Schedule has been revised by us. In doing so we have kept in mind the exclusion of all saleable articles which are already liable to taxation under special Acts in this Province and also of necessary articles of food usually consumed by persons of moderate means.

*Signed subject to a Minute of Dissent, annexed.

NOTE (1).—Signature of Mr. W. C. Patton could not be obtained till the time of printing this report.

NOTE (2).—Khan Bahadur Mahatabuddin Ahmed since died.

Minute of dissent by Mr. H. R. Norton, M.B.E., M.L.A.

Clause 5, sub-clause D.—I do not agree with exemption allowed. I consider that all purchases made by permanent residents outside Bengal should be exempt—I reserve the right to move an amendment.

Clause 5(3).—I do not agree with the so-called "Taxable Turnover" as this includes the tax collected from the purchasers, and means that the seller will have to pay a tax on this amount as well as his net turnover—here again I reserve the right to move an amendment.

Rate of Tax.—I am not satisfied that Government has made out a case strong enough to warrant a tax of 1½ per cent. being imposed, and in my opinion 1 per cent. should be the limit, until it is ascertained what revenue has been secured during the first year of operation.

Further, I reserve the right to move any amendment that I consider proper.

Joint minute of dissent by Mr. Gyasuddin Ahmed Choudhury, M.L.A., and Mr. Ahmed Ali Mridha, M.L.A.

Economic depression is so acute in the countryside that we cannot conceive of the propriety of a general taxation unless it is exclusively for the benefit of the rural mass in measures which cannot wait.

To bring about budgetary equilibrium such a measure cannot be undertaken before very drastic steps are taken by cuts in expenditure in all spheres.

* * * * * *

Illiteracy is a curse; people in rural area are dying out; water scarcity is appalling. Our support is with this measure if only the income from it is utilized exclusively for the following purposes in the order given below:—

(a) Primary Education.

(b) Rural Medical Relief.

(c) Rural Water-supply.

* * * * * *

With these remarks we sign the report.

Minute of dissent by Mr. Ramizuddin Ahmed, M.L.A.

I sign this report subject to the following minute of dissent that I am always against the imposition of any taxation which directly or indirectly affects the poor agriculturists who are already overtaxed. * * * * * I am convinced that the money derived out of this taxation will primarily be spent not for nation-building works but for meeting deficits of the budget * * * * * * These deficits ought to be met by exploring all possible channels of effecting economy in the present top heavy administration. The present tax is going to be imposed at a time when the distressingly low-buying capacity of the people is aggravated by the abnormal fall of price of jute and rise in the price of many essential articles of consumption due to war condition. I cannot, therefore, give my consent to this taxation. But if there be any taxation at all it should not exceed ½ per cent.

My next objection is with regard to the schedule of exempted articles. Having regard to the extreme poverty of the majority of the people of Bengal who are half-starved, ill-clad, illiterate and victims of various diseases it is essential that other indispensable necessaries of life like cloth, medicine, paper, books, kerosene, tobacco, etc., should also be exempted from this taxation.

Minute of dissent by Mr. Debi Prosad Khaitan, M.L.A.

My acceptance of the Report of the Select Committee is subject to the fundamental objection that a Sales Tax should not be levied, at least at the present stage. * * * * * * * *

The intention of the Bill is not to tax delivery orders, railway receipts, bills of lading, etc. I think that this point should be made clear.

Minute of dissent by Sir Henry Birkmyre, Bart., M.L.A.

I consider that in the present war time circumstances, in order to justify this tax, Government must in the first place establish that a Budget deficit will be realised in 1940-41. In the second place, if, in addition, Government require funds for expenditure over and above the present Budget expenditure, then in my opinion Government must establish that this expenditure is absolutely necessary and that there are definite completed and absolutely necessary schemes for which the additional funds are required. Until this is done, I reserve the right to oppose this Bill in the Legislature.

2. I am not altogether satisfied that the fixing of the taxable quantum in clause 4(*5*)(*c*) at Rs. 50,000 for all other dealers will not provide opportunities for evasion of the tax and I reserve the right to move any amendments with regard to this point that I may consider proper.

3. I am not satisfied that a rate of tax of one-quarter of an anna in the rupee is justified. The taxation is of an experimental nature and I consider that, unless Government can establish the absolute necessity in the present circumstances of raising Rs. 1½ crores by this tax, the rate of tax should not be more than 1 per cent.

4. I reserve the right to move any amendments to the provisions of the Bill that I consider proper.

At page 4 of the report of the Select Committee on the Bengal Finance (Sales Tax) Bill, 1941, after the name of Mr. Kirit Bhusan Das please add the name of Mr. W. C. Patton who signed the report after it was printed subject to the following minute of dissent, namely :—

(4) The Commissioner may from time to time amend [*correct*] any certificate of registration in accordance with information furnished under section 14 or otherwise received.

(5) When any dealer has been convicted or has paid composition money under section 20, in respect of any contravention of sub-section (1) of this section, the Commissioner [*may*] shall register such dealer and grant him a certificate of registration, and such registration shall take effect as if it had been made under sub-section (3) of this section on the dealer's application.

[(6) *A certificate of registration shall be valid for such period as may be prescribed* :

Provided that where the Commissioner is satisfied that any business in respect of which a certificate has been granted, has been discontinued, he shall cancel the registration.]

(6) Where the Commissioner is satisfied—

(a) that any business in respect of which a certificate has been granted upon application made under sub-section (2) has been discontinued, or

The Bengal Finance (Sales Tax) Bill, 1941.

(Clauses 7A—8.)

(b) that the gross turnover of any such business has during each of three consecutive years failed to exceed the taxable quantum,

he shall cancel the registration.

[(7) *Every registered dealer shall, within the prescribed time and in the prescribed manner, apply to the prescribed authority for the renewal of his registration :*

Provided that this sub-section shall not apply to a dealer during such period as, under the provisions of sub-section (3) of section 4, he may not be liable to pay tax under this Act.]

Voluntary registration.

7A. (1) Notwithstanding that he may not be liable to pay tax under section 4, any dealer whose gross turnover during a year exceeds 10,000 rupees may apply in the prescribed manner to the prescribed authority for registration under this Act.

(2) The provisions of sub-sections (3) and (4) and clause (a) of sub-section (6) of section 7 shall apply in respect of applications for registration under this section.

(3) Every dealer who has been registered upon application made under this section shall, for so long as he is registered, be liable to pay tax under this Act.

(4) The registration of a dealer upon application made under this section shall be in force for a period of not less than three complete years.

(5) Subject to the provisions of sub-section (4), a dealer registered upon application made under this section may apply in the prescribed manner not less than six months before the end of a year to the authority which granted him his certificate of registration for the cancellation of such registration to take effect at the end of the year in which the application for such cancellation is made ; and the said authority shall, unless the dealer is liable to pay tax under section 4, cancel the registration accordingly.

Lists of registered dealers to be published.

7B. The Provincial Government shall, as soon as may be after the commencement of this Act, publish in the *Official Gazette* a list of the names and addresses of registered dealers together with a description of the goods covered by their certificates of registration, and thereafter shall in like manner publish—

(a) such particulars of any dealer who is subsequently registered or whose registration is cancelled, as soon as may be after such registration or cancellation, and

(b) annually a consolidated list of modifications of the first list published under this section.

Payment of tax and returns.

8. (1) Tax payable under this Act shall be paid in the manner hereinafter provided at such intervals as may be prescribed.

(2) Every registered dealer and such other dealers as may be required so to do by the Commissioner [*Provincial Government*] by notice served in the prescribed manner, shall furnish such returns by such dates and to such authority as may be prescribed.

(3) Before any registered dealer furnishes the returns required by sub-section (2), he shall, in the prescribed manner, pay into a Government Treasury or the Reserve Bank of India the full amount of tax due from him under this Act according to such returns, and shall furnish along with the

(Clause 9.)

returns a receipt from such Treasury or Bank showing the payment of such amount.

9. (*1*) If no returns are furnished by a registered dealer in respect of any period by the prescribed date, or if the Commissioner is not satisfied that the returns furnished are correct and complete, the Commissioner shall, at any time within twelve months after the expiry of such period, after giving the dealer an opportunity of being heard, proceed in such manner as may be prescribed to assess to the best of his judgment the amount of tax due from the dealer.

(*1A*) If upon information which has come into his possession, the Commissioner is satisfied that any dealer, who imports for sale any goods into Bengal or himself manufactures any goods for sale, has been liable to pay tax under this Act in respect of any period and has nevertheless wilfully failed to apply for registration, the Commissioner shall, at any time within three calendar years from the commencement of this Act and thereafter within twelve months from the expiry of such period, after giving the dealer an opportunity of being heard, proceed in such manner as may be prescribed to assess to the best of his judgment the amount of tax due from the dealer in respect of such period and all subsequent periods; and the Commissioner may direct that the dealer shall pay by way of penalty in addition to the amount of tax so assessed a sum not exceeding one and a half times that amount.

(*1B*) The amount of tax—

Accounts.

11. Every dealer to whom the provisions of sub-section (2) of section 8 apply, shall keep a true account of the value of goods bought and sold by him, and if the Commissioner considers that such account is not sufficiently clear and intelligible to enable him to make a proper check of the returns referred to in that sub-section, he may require such dealer by notice in writing to keep such accounts (including records of sales) as may be prescribed.

15. (*c*) any particular goods purchased by a registered dealer are [*specified in*] covered by his certificate of registration, or

(*d*) tax is payable in respect of any particular sale or contract,

the Commissioner shall determine such question:

Provided that any such determination shall not affect the liability of any dealer under this Act in respect of any contract entered into or sale effected prior to such determination, unless the Commissioner is satisfied that the dealer has been wilfully evading or attempting to evade payment of tax in respect of any sale of, or contract for supply of, any goods to which such determination relates.

[**17.** *No assessment made under this Act and no order passed by the Commissioner or any officer subordinate to him under this Act or the rules made thereunder shall be called into question in any Civil Court, and no appeal or application for revision or review shall be made against any such assessment or order save as may be provided in this Act.*]

Ramna, the 13th February 1941.

Third and Final Forecast of the Winter Rice Crop of Bengal, 1940-41.

(*Note.*—On an average of the five years ending 1938-39, the area under winter rice in Bengal has represented some 20·6 per cent. of the total area under winter rice in India.)

Character of the season.—Since the issue of the second forecast unfavourable weather conditions owing to prolonged drought further reduced the outturn in some districts.

Acreage.—According to District Officers' estimates the total area under winter rice is 14,916,700 acres as compared with 16,095,900 (revised) acres of last year.

Outturn.—From the summary of the district returns appended it will be seen that ten districts report a crop varying from 72 to 95 per cent. and the rest below 70 per cent. of the normal. According to the above estimates the provincial outturn works out to 63 per cent. of the normal as against 88 per cent. of last year.

Accepting 63 per cent. as the provincial outturn, the gross yield of the crop, on the basis of a normal yield of 12½ maunds of clean rice (husked) per acre, is estimated at 4,315,200 tons this year as against 6,504,100 (revised) tons in last year.

Director of Agriculture, Bengal.

No. F.B. 2578, dated Calcutta, the 23rd September 1940.

From—A. Frederick, Esq., M.I.FireE., Chief Officer, Fire Brigade, Calcutta,

To—The Secretary to the Government of Bengal, Department of Public Health and Local Self-Government (Municipal).

(Through C. E. S. Fairweather, Esq., M.A., C.I.E., Commissioner of Police, Calcutta.)

I have the honour to submit the following report on the working of the Calcutta Fire Brigade for the year ending 31st March 1940. The work of the department throughout the year has been normal.

Financial Statement.—The statement of receipts and expenditure and payments made by the municipalities within the jurisdiction of the Fire Brigade and Licensed Warehouse Act I of 1893 is given in Appendix I.

The cost of maintenance of the Fire Brigade is contributed by (*a*) the Calcutta Municipality, (*b*) the Howrah Municipality and (*c*) the Garden Reach Municipality at the rate of 83·5 per cent., 14 per cent., and 2·5 per cent., respectively.

Fees for licensed warehouses are charged under section 10 of the Licensed Warehouse and Fire Brigade Act I of 1893, and are levied at 10 per cent. of the annual valuation of warehouses, subject to a maximum of Rs. 1,500 per warehouse per annum, and the income thus derived provides the 50 per cent. of the cost of the upkeep of the Fire Brigade under the Act.

Fires, etc.—The total number of calls to fires or supposed fires was 545, being an increase of 23 as compared with the previous year. The actual number of fires attended was 455 which shows an increase of 23 as compared with the previous year, and the number of fires classed as serious (*i.e.*, over Rs. 20,000 damage per fire, see Appendix III) was 14, being a decrease of 8 as compared with the previous year.

Fire stations.—Appendix IV gives the number of times each fire station has been turned out in response to fire calls together with monthly statements.

Staff.—The strength of the Brigade during the year was 284 as detailed below:—

One Chief Officer, 1 Second Officer, 1 Chief Engineer, 5 Station Officers, 8 Engineers, 7 firemen, 1 Warehouse Inspector, 5 clerks, 1 store-keeper, 3 telephone operators, 2 carpenters, 2 lathe mechanics, 1 fitter, 1 blacksmith, 1 tinsmith, 10 Indian drivers, 1 head tindal, 30 tindals, 188 khallasies and 15 menial employees.

The conduct and discipline of the staff throughout the year have been exemplary.

I am pleased to record my appreciation of the most faithful and excellent services rendered by Chief Engineer F. A. Tucker, Station Officer W. Fraser, Engineer Holden, Warehouse Inspector Doran and Head Clerk K. C. Sen Gupta; specially Chief Engineer Tucker, who rendered conspicuous service in connection with the Air Raid Precautions and Head Clerk K. C. Sen Gupta, who gave valuable service in connection with construction of the new Fire Brigade Headquarters and was of great assistance in general administration.

Fatalities and accidents.—Appendix VI gives short reports of fires and special occurrences involving loss of life or serious accidents.

The number of lives lost at fires during the year under review is 13, being an increase of 5 as compared with the previous year.

I am glad to report that no serious accidents occurred during training recruits, or at drill.

In all cases, where necessary, first-aid was rendered by the Fire Brigade and the injured persons conveyed to hospital by motor ambulance.

Water-supply.—In Calcutta water for fire extinguishing is obtained from the unfiltered water-supply system maintained by the Corporation of Calcutta with pumping stations located on the banks of the river Hooghly at Mullick Ghat and Watgunge.

Fires in Cossipur-Chitpur and adjoining areas are extinguished with water supplied from ponds or tanks, many of which are replenished only by rainfall.

In Howrah the condition cannot be said as satisfactory, although there are some hydrants on the filtered water-supply for being used at fires.

Fire float.—The fire float (5,000 gallons per minute capacity) is stationed on the river opposite the Prinsep's Ghat. During the year under review it has responded to 3 calls as compared with 11 calls in the previous year.

Street fire alarms, telephones and electrical communications.—I am pleased to record my appreciation of the excellent service rendered by the Bengal Telephone Company.

Inspection Department.—The majority of theatres, cinemas and other places of public amusement, with few exceptions, have no serious fire risks and there were no serious fires during the year under review.

In connection with the Licensed Warehouse and Fire Brigade Act I of 1893, 6,469 inspections of warehouses have been made during the year. Four hundred and thirty-three applications and complaints have been attended to and disposed of. Eighty-six prosecutions were made under section 14 of Act I of 1893 which resulted in 74 persons being fined, the fines aggregating in all Rs. 488. Six persons were warned and discharged and 5 cases were withdrawn and one case was acquitted.

General.—The Calcutta Fire Brigade protects the City of Calcutta and the municipalities of Howrah and Garden Reach, and may attend fires outside the boundaries of the above, but not exceeding a radius of 12 miles from Fire Brigade Headquarters, provided appliances can be spared, and on payment of a prescribed fee. The total area protected is approximately 112 square miles, comprising a population of over 2,000,000 persons.

Fire Brigade Headquarters is still located in premises rented for that purpose. The construction of the permanent headquarters of the Fire Brigade has been commenced during the year and the station will be ready for occupation by the month of October next. My thanks are due to the Calcutta Corporation, Howrah Municipality and Garden Reach Municipality who financed the scheme.

On account of the emergency due to the War volunteers have been taken on as auxiliary firemen and drivers in order to assist the Fire Brigade for precaution against fires through air raids.

Five auxiliary fire stations have been opened with necessary equipments for the purpose who will work in conjunction with the regular Fire Brigade.

As this is my last Annual Report I beg to tender my thanks to the Commissioner and other officers of the Calcutta Police for their co-operation at all times.

Also, I beg to thank the Executive Staff of the Calcutta Corporation for their ready assistance given to this department.

Forwarded.

I endorse the remarks made by Mr. Frederick about his staff and I take this opportunity of recording my appreciation of the outstanding services rendered by Mr. Frederick himself. He has maintained the Fire Brigade in a high state of efficiency and I am greatly indebted to him for the manner in which he organised and trained the A. R. P. auxiliary fire service on the outbreak of War.

C. E. S. FAIRWEATHER,

Commissioner of Police.

The 25th September 1940.
